CLM-UniFit-KIT

UniFit-S3 Mount + Swivel/Tilter + Hardware + Aluminum Template

If you are tired of sacrificing quality to have a 'universal' fit mounting kit, the wait is over!

The **CLM-UniFit-KIT** has uncompromised quality with a full 16-gauge, powder coated, steel bracket, specifically designed for a fast, clean fit.

The top quality swivel-tilter that *never* needs tightening (no cheap plastic swivel here!).

The **CLM-UniFit-KIT** is neatly white boxed and bar coded for easy stocking in your bay for professional installation.
