

# ON... OFF...

*Simplicity at its best...*

**J-2R** 2 Channel receiver + 2 ON/OFF Remotes

**RED** – 12 volts

**BLACK** – Ground

**GREEN x 2** – Relay Contacts – 7.5 amp (12v) max  
(BLUE – Antenna)

The GREEN wires provide a closed circuit (relay activated) when the **ON** button is pushed.  
The **OFF** button deactivates the relay.
